Subpart B—Delegations of Authority

AUTHORITY: Sec. 5, 48 Stat. 1068, as amended; 47 U.S.C. 155.

GENERAL

§0.201 General provisions.

(a) There are three basic categories of delegations made by the Commission pursuant to section 5(c) of the Communications Act of 1934, as amended:

(1) *Delegations to act in non-hearing matters and proceedings.* The great bulk of delegations in this category are made to bureau chiefs and other members of the Commission's staff. This category also includes delegations to individual commissioners and to boards or committees of commissioners.

(2) *Delegations to rule on interlocutory matters in hearing proceedings.* Delegations in this category are made to the Chief Administrative Law Judge.

NOTE TO PARAGRAPH (a)(2): Interlocutory matters which are not delegated to the Chief

Administrative Law Judge are ruled on by the presiding officer by virtue of the authority vested in him to control the course and conduct of the hearing. This authority stems from section 7 of the Administrative Procedure Act and section 409 of the Communications Act rather than from delegations of authority made pursuant to section 5(c) of the Communications Act. (See §§0.218 and 0.341.).

(3) *Delegations to review an initial decision.* Delegations in this category are made to individual commissioners, to panels of commissioners.

(b) Delegations are arranged in this subpart under headings denoting the person, panel, or board to whom authority has been delegated, rather than by the categories listed in paragraph (a) of this section.

(c) Procedures pertaining to the filing and disposition of interlocutory pleadings in hearing proceedings are set forth in §§1.291 through 1.298 of this chapter. Procedures pertaining to appeals from rulings of the presiding officer are set forth in §1.301. Procedures pertaining to reconsideration of the presiding officer's rulings are set forth in §1.303. Procedures pertaining to reconsideration and review of actions taken pursuant to delegated authority are set forth in §§1.101, 1.102, 1.104, 1.106, 1.113, 1.115, and 1.117. Procedures pertaining to exceptions to initial decisions are set forth in §§1.276–1.279.

(d) The Commission, by vote of a majority of the members then holding office, may delegate its functions either by rule or by order, and may at any time amend, modify, or rescind any such rule or order.

(1) Functions of a continuing or recurring nature are delegated by rule. The rule is published in the FEDERAL REGISTER and is included in this subpart.

(2) Functions pertaining to a particular matter or proceeding are delegated by order. The order is published in the FEDERAL REGISTER and associated with the record of that matter or proceeding, but neither the order nor any reference to the delegation made thereby is included in this subpart.

[28 FR 12402, Nov. 22, 1963, as amended at 50 FR 26567, June 27, 1985; 62 FR 4170, Jan. 29, 1997]

§ 0.203

§ 0.203 Authority of person, panel, or board to which functions are delegated.

(a) The person, panel, or board to which functions are delegated shall, with respect to such functions, have all the jurisdiction, powers, and authority conferred by law upon the Commission, and shall be subject to the same duties and obligations.

(b) Except as provided in § 1.102 of this chapter, any action taken pursuant to delegated authority shall have the same force and effect and shall be made, evidenced, and enforced in the same manner as actions of the Commission.

[28 FR 12402, Nov. 22, 1963]

§ 0.204 The exercise of delegated authority.

(a) *Authority to issue orders and to enter into correspondence.* Any official (or group of officials) to whom authority is delegated in this subpart is authorized to issue orders (including rulings, decisions, or other action documents) pursuant to such authority and to enter into general correspondence concerning any matter for which he is responsible under this subpart or subpart A of this part.

(b) *Authority of subordinate officials.* Authority delegated to any official to issue orders or to enter into correspondence under paragraph (a) of this section may be exercised by that official or by appropriate subordinate officials acting for him.

(c) *Signature.* (1) Other orders made by a committee, board or panel identify the body and are signed by the Secretary.

(2) Upon signing an order, the Secretary affixes the Commission's seal.

(3) General correspondence by a committee or board is signed by the committee or board chairman.

(4) All other orders and letters are signed by the official who has given final approval of their contents.

(5) With the exception of license forms requiring the signature of an appropriate official of the issuing bureau or office, license forms bear only the seal of the Commission.

(d) *Form of orders.* Orders may be issued in any appropriate form (e.g., as captioned orders, letters, telegrams)

47 CFR Ch. I (10–1–01 Edition)

and may, if appropriate, be issued orally. Orders issued orally shall, if practicable, be confirmed promptly in writing.

(e) *Minutes entries.* Except as otherwise provided in this subpart, actions taken as provided in paragraph (d) of this section shall be recorded in writing and filed in the official minutes of the Commission.

[33 FR 8227, June 1, 1968, as amended at 38 FR 18550, July 12, 1973; 62 FR 4170, Jan. 29, 1997]

CHIEF, MASS MEDIA BUREAU

§0.283 Authority delegated.

The performance of functions and activities described in §0.61 of this part is delegated to the Chief, Mass Media Bureau: Provided, That the following matters shall be referred by the Chief, Mass Media Bureau to the Commission en banc for disposition:

(a) *Applications.* Formal and informal applications for new or modified facilities, and for the renewal, assignment, and transfer of construction permits and licenses involving such facilities, when such applications fail to satisfy the requirements of Commission rules or established Commission policy in the following areas of special concern:

(1) *Multiple ownership, concentration of control, and cross-interests.* (i) Acquisition of a third broadcast station or modification of facilities if such would result in the common ownership of three broadcast stations where any two are within 100 miles of a third and primary service contour overlap would occur; "one-to-a-market" situations involving UHF stations or TV satellite stations; and duopoly situations involving TV satellite stations. (Commonly owned AM and FM stations in the same market are treated as one

station for the purpose of the “third station” limitations.)

(ii) Acquisition of a broadcast station by a newspaper in the same area, or other organization having substantial interests in the print media in the same area.

(iii) Creation of common ownership interests, management ties, or employment relationships between licensees serving substantial common areas and populations. Commonality of areas and populations served shall be determined in duopoly situations by overlap of the following service contours: AM—1 mVm; FM—1 mVm; and TV—Grade B. In “one-to-a-market” situations, commonality of areas and populations served shall be determined by community encompassment with the following service contours: AM—2 mVm; FM—1 mVm; and TV—Grade A.

(iv) Acquisition of broadcast properties by corporations or individuals appearing to dominate the economic life of the community.

(2) *Anti-trust activity, unfair trade practices, and violations of law not previously considered by the Commission.* (i) Proposals by applicants against whom communications-related anti-trust suits are pending or against whom there is pending any anti-trust suit in which an adverse verdict has been reached.

(ii) Proposals by applicants who have entered into a consent decree, have pleaded guilty or nolo contendere, or have been adjudged guilty in an anti-trust case during the three-year period preceding the filing of the application.

(iii) Proposals by applicants who have been the subject of a final cease and desist or consent order issued by the Federal Trade Commission during the three-year period preceding the filing of the application.

(iv) Proposals by applicants or including parties with felony or capital offense conviction records, or against whom a criminal proceeding is pending.

(3) *Violations and complaint matters.* Proposals filed by applicants against whom violation notices of a serious nature are outstanding or against whom questions suggesting serious misconduct remain unresolved, or by ap-

plicants with records of serious past misconduct.

(4) *Equal employment opportunities.* Proposals filed by applicants whose equal employment opportunities programs do not comply with Commission rules or policies and cannot be cleared by further staff inquiry or action, or whose past performance suggests the existence of discriminatory practices.

(5) *Short term licenses and renewals.* Proposals which in the opinion of the Chief, Mass Media Bureau, warrant the issuance of a short-term license or renewal authorization.

(6) [Reserved]

(7) *Programming: Program content and ascertainment of community needs.* (i) Applications for new stations or assignments and transfers.

(A) Commercial AM and FM proposals and commercial TV proposals of applicants for new stations and of assignees and transfers that have not submitted a narrative statement of their proposed programming.

(8) [Reserved]

(9) *Hearing orders.* (i) Mutually exclusive applications not in the Instructional Television Fixed Service, including renewal and construction permit applications, involving non-routine hearing issues.

(ii) Other renewal and assignment and transfer applications which appear to call for an evidentiary hearing.

(iii) Such other applications, as in the opinion of the Chief, Mass Media Bureau, warrant referral to the Commission prior to designation for hearing.

(10) *Interference and mileage separations.* Proposals for new or modified AM, FM, and TV facilities which would create substantial new prohibited overlap or station separation shortages. In the case of AM proposals (other than Class IV), a net increase in objectionable interference to another AM station involving more than 1 percent of the population served by such other station, whether or not consented to by the station affected, shall be referred to the Commission.

(11) *VHF television expansion.* Commercial VHF television proposals seeking to bring or extend their Grade B contours into a significant area or population included within the predicted

Grade B contour of a UHF television station where the area or population involved is covered by fewer than 4 VHF television signals.

(12) *Agreements to amend or dismiss applications.* Any situation in which a community will be deprived of a proposed broadcast station by reason of amendment or dismissal of an application mutually exclusive with another application for a different community.

(13) *Experimental and developmental operation.* Proposals for experimental and developmental authority containing policy implications which, in the opinion of the Chief, Mass Media Bureau, warrant referral to the Commission.

(14) *Miscellaneous applications and requests.* (i) Proposals for special temporary, emergency, conditional, or interim operating authority of more than routine significance.

(ii) Any other application, proposals, or request presenting novel questions of fact, law, or policy which cannot be resolved under outstanding precedents and guidelines.

(b) *Petitions and other requests for Commission action.* (1) Petitions to deny, informal objections, and other petitions, directed against AM, FM, and TV applications for new or modified facilities, or for renewal, assignment or transfer of control, will be referred to the Commission if they:

(i) Contain new or novel issues not previously considered by the Commission,

(ii) Appear to justify a change in Commission policy; or

(iii) Present documented allegations of failure to comply with the Commission's Equal Employment Opportunity rules and policies.

(2) Petitions and other requests for reconsideration of actions taken by the Chief, Mass Media Bureau, when such petitions or requests contain new or novel arguments not previously considered by the Commission, present facts or arguments which appear to justify a change in Commission policy, or request reconsideration of orders designating cases for hearing.

(3) Applications for review of actions taken by the Chief, Mass Media Bureau, which comply with §1.115 of this chapter.

(4) Petitions and other requests for waiver of Commission rules, whether or not accompanied by an application, when such petitions or requests contain new or novel arguments not previously considered by the Commission, or present facts or arguments which appear to justify a change in Commission policy.

(5) Petitions and other requests for declaratory rulings, when such petitions or requests contain new or novel arguments not previously considered by the Commission, or present facts or arguments which appear to justify a change in Commission policy.

(6) Petitions for rulemaking which have been accepted under §1.403, and final dispositions of rulemaking proceedings not involving routine changes in the FM and TV Tables of Assignments.

(7) Petitions and other requests for waiver of the prime-time access rule, in areas where Commission policy is not clearly established.
